## SHANGHAI CRAFT GIN

Our Peddlers Shanghai Craft Gin is the result of more than two years of recipe development, it includes traditional botanicals from across China, such as Sichuan pepper, Buddha's Hand and lotus combined with more traditional ingredients like juniper and coriander.

## BARREL AGED GIN

Our Barrel Aged Gin has been aged for three months in French oak barrels that previously housed a Pinot Noir. And it has been awarded the top medal at the 2023 Gin Masters for our Peddlers Barrel Aged Gin.

## SALTED PLUM GIN

Our Salted Plum gin builds on the sloe gin tradition using Chinese ingredients. It is inspired by the historical Suan Mei Tang recipe which includes ingredients like salted plums, mulberries, hawthorn and osmanthus. It is the first barrel aged Suan Mei gin in the world.
